12 United States Fish and Wildlife Service, et
13 al.,
14 Defendants.

No. CV-13-00151-TUC-RCC

ORDER

15 On December 8, 2016, the Court granted a stay in this case pending possible
16 settlement negotiations between the parties. (Doc. 65.)

17 On April 4, 2017, the parties filed a Third Status Report indicating that settlement
18 was no longer feasible, and that they would like the Court to resolve the parties' pending
19 cross-motions for summary judgment. (Doc. 68.) On September 11, 2017, the Court
20 ordered the parties to file an additional Joint Status Report indicating whether any claims
21 in the cross-motions were now moot. (Doc. 69.) The parties filed the Joint Report indicating
22 several issues had become moot. (Doc. 70.) However, the stay was never lifted in this
23 matter.

24 The Court will lift the stay on this case but finds that an additional Joint Status
25 Report is appropriate.
